BOOTH REQUIREMENTS:

Our festival makes every effort to offer as much authentic Scandinavian culture as possible. We encourage vendors to dress in Scandinavian attire and to decorate their booths with Scandinavian décor, if possible. Booths representing handmade, quality items are given priority. We accept craft, food, and informational booths and can accommodate both indoor and outdoor vendors. We recommend that outdoor booths be self-contained due to unpredictable weather and no night security. Electricity is limited for outdoor booths and will be provided on a first come, first serve basis.

BOOTH DESCRIPTION:

- Booths are divided by white, wood partitions that are partially decorated with cedar and birch.
- Vendors may hang décor and other items on the partitions, but all staples, tape, and décor must be removed by vendor at the end of the festival.
- Black curtains hang behind each booth.
- Bring your own: staple guns, pliers, extension cords, and other supplies you may need to set-up/tear-down your booth.
- Included with your Booth fee is:
 - **Four (4) Admission Wristbands** (if additional wristbands are needed, they may be purchased for the regular admission price of \$8.00 each at the festival)
