The Astoria Scandinavian Heritage Association is a 501c3 non-profit formed in 2011. ASHA is driven by a continued mission to preserve traditional Nordic culture and heritage through opportunities in areas of customs, language, food and the arts and to educate the citizens of Clatsop County and surrounding areas about the culture and heritage of the Nordic countries. ASHA's primary activity is to support the Scandinavian Midsummer Festival, an Oregon Heritage Tradition since 1968.

Would you like to be an integral part of keeping Scandinavian tradition alive on the North Coast and making the 2020 festival memorable? Your sponsorship will allow the Astoria Scandinavian Heritage Association to continue to promote Scandinavian culture and traditions and to bring high quality entertainment to the festival for the enjoyment of all.

The association would like to continue our traditions and preserve them for future generations. With your help we will be able to do so. The heritage association strives to provide an experience for all ages. Old country feelings run deep here. We would like to take steps now to ensure that future generations will not forget. The heritage association hopes to maintain a stable financial picture. To help us in our quest, we created our fund raising sponsorship to provide financial stability for our organization.
